

A 3D rendering of a smartphone tilted diagonally. The screen is white and displays the text 'SOCIAL MEDIA MARKETING' in large, bold, black capital letters. The text is partially obscured by a glowing orange and pink particle trail that flows from the top right towards the bottom left, passing behind the text. There are also three starburst graphics: a pink one near the top right, a blue one near the bottom left, and a teal one near the bottom right of the text.
